Parents visit Room to Grow every three months, starting at the mother's third trimester of pregnancy and then throughout the baby's first three years of life. At each visit, our social workers monitor the baby's developmental progress and help parents navigate the challenges and celebrate the joys of parenting. This includes helping parents understand their child's developmental stages, offering strategies to recognize and respond to their child's many needs, and providing resources and support to help cope with raising a child in typically stressful circumstances. At every visit parents also receive age-appropriate material necessities, allowing them to provide fully for their baby in an immediate and meaningful way.
