Room to Grow

If you've ever bought someone a gift for their new baby, you know how expensive the items that keep an infant comfortable, safe and well fed can be. Enter Room To Grow, which needs your help sorting and organizing the nearly new baby gear they collect and then distribute to low-income families throughout the city. Inventory hours are Monday through Friday, 9am to 5pm, at their Flatiron District offices. Or, if you have a car, Room to Grow needs help picking up the goods. You can also hold a drive at your office, school or place of worship to collect items that are in excellent condition. Check the website for guidelines.
