MOMS Club event to benefit Room to Grow

The Canton MOMS Club is collecting new and nearly new baby clothing, toys, books and equipment at Canton High School on Saturday, May 1, from 10 a.m. until noon. All donations should be dropped off at the high school upper parking lot and then gifted to Room to Grow, a non-profit located in Boston that helps babies born into poverty.

Room to Grow provides parents raising babies in poverty with one-on-one parenting support and essential baby items until the child turns 3. Parents expecting a baby are referred to Room to Grow by selected prenatal programs assisting low-income families. Upon their referral, parents visit Room to Grow once every three months from just before the birth of the baby until the third birthday. During the appointments with staff social workers parents receive developmental information, customized support and essential baby items to ensure a healthy and secure start for their child.
